KINGSWAY SURETY

To All Alberta Brokers

Kingsway General Insurance Company continues to expand our product offerings in the West. In addition to our commercial products, the integration of surety to our Calgary Branch offers our brokers personalized service for their contractor clientele.

Kingsway can assist in placing Performance and Labour and Material Payment Bonds. We now have capacities to handle single job contracts up to \$15 million (based on 50% bonds). In addition, Kingsway excels at issuing smaller contractor bonds.

Surety is a stand alone product requiring no contract or volume commitment.

Gayle Myers, our **Alberta Surety Manager** is prepared to meet with brokers and their contractor clients, to efficiently handle the process of establishing, or enhancing, a Bond Facility.

To learn more about Kingsway's surety capabilities, please contact Gayle via e-mail at gmyers@kingsway-general.com or via phone at 403-255-9222.

Thank you for your continued support.
