TRUCKING CLASSES KINGSWAY GENERAL CONTINUES TO INSURE

To Kingsway General Brokers,

In light of Kingsway's recent decision to exit the cross-border trucking market, we want to clarify which trucking classes Kingsway General continues to insure for risks operating **within Canada**:

- Class 46 - trucks operating within a 40 kilometre radius,
- Class 47 - trucks operating within a 80 kilometre radius,
- Class 51 - trucks operating over a 160 kilometre radius,
- Class 61 - trucks operating within a 160 kilometre radius.

Additional commercial automobile classes which Kingsway continues to insure are:

- Individually rated vehicles, both non-standard (classes 35 & 36 only) and standard,
- Taxi, both individually rated and fleets,
- Automobile fleets rated as standard business,
- Special risk classes including sand and gravel and logging as examples.

Please contact any of the following staff members with questions you may have with respect to any of the commercial auto lines for which Kingsway provides coverage:

- Steve Glykis - Senior Manager (905) 696-1280
- Wayne Lord - Product Manager (905) 696-1281
- Gloria Simms - Assistant Manager (905) 696-1287

In addition, Kingsway continues to actively pursue Property and Casualty business, specializing in those risks that are difficult to place with other markets. For additional information about the classes of business accepted, please contact:

- Peter Holman - Manager (905) 696-1340, or
- Anna-Maria Mille - Assistant Manager (905) 677- 8889, ext. 2142

We thank you for your continued support.
