**Introducing Kingsway General's Truck Owner Operator Product
For New Brunswick & Nova Scotia**

We are very excited to announce that **effective immediately**, Kingsway General Insurance Company is approved to insure **Truck Owner Operators** in the provinces of **New Brunswick and Nova Scotia**.

Our Owner Operator product is a comprehensive package policy including transportation, incidental property exposures such as terminal and cargo coverage as well as CGL pertaining to the trucking risk (certain restrictions may apply based on commodities hauled). **This product is available on an open market, no contract basis.**

Our policy can be tailored for 1 - 9 power units (revenue generating) -- whether the tractors travel exclusively in Canada or into the United States. Classes written include some of the harder to place risks such as logging, sand and gravel and livestock haulers. We will write "new ventures" - those people who can provide prior fleet experience but are moving into the Owner Operator area for the first time.

Kingsway's superior loss prevention service will be available to policyholders **with no additional charge.**

To obtain a competitive quote, simply access our **Owner Operator Application** form located on our website at www.kingsway-general.com, in the "Broker Centre", under the Business Forms section. Once complete submit the form to the Kingsway Owner Operator Underwriting team. If you are not already set up with a user name and password to access the Broker Centre, please contact our Marketing Department at kgmarketing@kingsway-general.com to obtain login information.

Key members of the Owner Operator Underwriting team include:

Tania Lutz Manager, Commercial Automobile	ext. 2687	tlutz@kingsway-general.com
Pam Webb Supervisor, Owner Operator Eastern Provinces	ext. 2857	pwebb@kingsway-general.com
