Important Changes to your Policy!

Your Auto Insurance Benefits are CHANGING
Before you renew your policy, **you need to make important coverage decisions**

Effective June 1, 2016, the Ontario government has introduced changes to the automobile insurance system to help make insurance premiums more affordable. These changes only apply to auto insurance policies issued or renewed on or after June 1, 2016.

The changes will give you **more choice** over the coverages you select and the price you pay for auto insurance. Many of the changes affect the Statutory Accident Benefits you receive if you are injured in an auto accident, regardless of who is at fault. Some of these benefits have been reduced and some options for increased coverage have been eliminated or changed.

**Your enclosed policy automatically has the new lower standard benefits that will take effect on your renewal date.** The most significant changes to your policy are:

**To increase these benefits, call your insurance representative**

Unless you act quickly and contact your insurance representative to increase your benefits or make changes, your coverage will default to the new lower standard benefits.

The name and contact details for your insurance representative and your renewal date are on the enclosed policy documents.
